

Sachin Venkatrao Patil

Biographical Data

- Place of Birth: India
- Citizenship: Indian
- Visa: Permanent Resident

Education

- **July 1993- March 1995:** Graduated from Sharanabasaveshwara college of science with a diploma in physics, chemistry and biology
- **June 1995-Jan 2000:** Graduated from Mahadevappa Rampure Medical College, University of Gulbarga, with a MD in medicine.
- **July 2011- June 2016:** Surgical Resident, Saint Barnabas Medical Center, Livingston, NJ
- **July 2016- June 2017:** HPB Fellow, St John Providence Hospital, Southfield, Michigan

Employment

- **May 2001 to Oct 2008:** I was employed as a House Doctor, New Delhi, India
- **Oct 2008 to Aug 2009:** Research Assistant, Maulana Azad Medical Center, New Delhi, India
- **Sept 2009 to June 2011:** Surgery Research Assistant, Saint Barnabas Medical Center, Livingston NJ
- **Oct 2017 to Jan 2021:** General Surgeon and Hepatobiliary Surgeon, South Central Regional Medical Center, Laurel, MS, 39440
- **Feb 2021 to Jan 2024:** **General and HPB surgeon, Associate Program Director for HPB Fellowship, Ascension Providence Hospital, Southfield, MI 48075**
- **Jan 2024 to Current:** **Progressive Surgical Associates, New Lenox, IL 60451**

Certifications

- **May 2006:** MRCS Intercollegiate Examination, Part 1 and Part 2: Pass
- **June 2008:** United States Medical Licensing Examination, Step I: 254/99
- **June 2010:** United States Medical Licensing Examination, Step II CS
- **May 2011:** United States Medical Licensing Examination, Step II CK: 244/99
- **Jan 2013:** United States Medical Licensing Examination, Step III: 212/81
- **Aug 2016:** American Board of Surgery Qualifying Exam: Pass
- **Oct 2017:** American Board of Surgery Certifying Exam: Pass

Awards/Accomplishments

- **'Scientific Exhibit of Exceptional Merit'**
American College of Surgeons, 96th Annual Clinical Congress, 2010, Washington, DC.
- **'Poster of Distinction'**
American Transplant Congress, Annual Meeting, 2011, Philadelphia, PA.
- **'Academic Achievement Award'**
Saint Barnabas Medical Center for outstanding performance as an intern 2011-2012
- **“Chairman’s Award for Academic and Clinical Excellence”**
Saint Barnabas Medical Center, PGY II Surgical Resident 2012-2013
- **“Chairman’s Award for Academic and Clinical Excellence”**
Saint Barnabas Medical Center, PGY III Surgical Resident 2013-2014
- **“Award for Academic and Clinical Excellence in Surgery”**
Saint Barnabas Medical Center, Chief Surgical Resident 2015-2016

Memberships and Affiliations

- Fellow of American College of Surgeons, FACS (2022)
- Member AHPBA

Outside Interests

- Sports, Running, Hiking, Automobile repair, Any Outdoor Activity
- Reading, Music

Publications

Book Chapters

1. **Patil S**, Chamberlain R. Peripheral cholangiocarcinoma. (Book chapter for “Hepatobiliary Malignancies”) PMPH USA.
2. **Patil S**, Whang M. Urological Complications in Kidney Transplantation (Book Chapter for Kidney Transplantation) INTECH
3. **Patil S**, Chamberlain R. Small Bowel Cancer. (Book Chapter for DeVita, Hellman, and Rosenberg's Cancer: Principles & Practice of Oncology (Cancer Principles and Practice of Oncology, Tenth Edition)
4. **Patil S**, Chamberlain R. Small Bowel Cancer. (Book Chapter for DeVita, Hellman, and Rosenberg's Cancer: Principles & Practice of Oncology (Cancer Principles and Practice of Oncology, Eleventh Edition)
5. **Patil S**, Jacobs MJ, Mittal V. Liver (Book chapter, Surgical Text book for residents and medical students)

Research Activities

Active Research Projects

Primary Cell Culture for identification of individualized therapeutic targets of hepatobiliary and pancreatic cancers

Poster Presentations

1. **Patil S**, Balsted S, Chamberlain R. (2010, October). *Surgery in patients > 100 year old: is it safe and indicated?* Poster presented at: 96th Annual Clinical Congress, American College of Surgeons; Washington, DC.
2. **Patil S**, Chamberlain R. (2011, January). *Outcome analysis following burn injury in diabetic patients as compared to non-diabetic patients: a 10-year retrospective study.* Poster presented at: 40th Critical Care Congress, Society of Critical Care Medicine; San Diego, CA.
3. Haq A, **Patil S**, Lanteri A, Chamberlain R. (2011, January). *The utility of the SAPS II, SAPS Hi and APACHE II for predicting surgical outcomes and ICU outcomes in patients > 90 years.* Poster presented at: 40th Critical Care Congress, Society of Critical Care Medicine; San Diego, CA.
4. **Patil S**, Jain Sudhir, Kaza RCM, Chamberlain R. (2011, March). *Congenitally Absent Cystic Duct: A Rare but*

Dangerous Anomaly. Poster presented at: 2011 SAGES Scientific Session & Postgraduate Course; San Antonio, TX.

5. Z. Kimball, **Patil S**, H. Mansour, M. Marano, S. Petrone, A. Houng, R. Chamberlain., (2011, March). *Lower Leg and Foot Burns in Diabetic and Non-Diabetic Patients: A 10-Year Retrospective Study*. Poster presented at: 43rd Annual Meeting, American Burn Association; Chicago, IL
6. **Patil S**, Chamberlain R (2011, May). *Malignancies among Solid Organ Transplantation Recipients (SOTRs): An Analysis of 139,741 Heart, Lung, Liver and Renal Transplant Patients from the National Inpatient Sample Database (2004-2008)*. Poster presented at: American Transplant Congress, 2011, Philadelphia, PA.

Podium Presentation

Local Meetings

1. **Patil S**. (2002, February). *Primary and secondary hydronephrosis in pediatric patients: diagnosis and management*. Oral Presentation presented at: Departmental meeting; New Delhi, India.
2. **Patil S**. (2002, March). *Acute necrotizing enterocolitis, a global issue: Surgical management* Oral Presentation presented at: Departmental meeting; New Delhi, India.
3. **Patil S**. (2003, July). *Small bowel obstruction, causes, diagnosis and management: past, present and future*. Oral Presentation presented at: Departmental meeting; New Delhi, India.
4. **Patil S**. (2006, August). *Bicycle handle bar injury: a common cause of pancreatic injury in pediatric patients*. Oral Presentation presented at: Departmental meeting; New Delhi, India.
5. **Patil S**. (2006, May). *Probiotics, Prebiotics and Symbiotics: Clinical role and efficacy*. Oral Presentation presented at: Departmental meeting; New Delhi, India.
6. **Patil S**. (2012, March). *Laparoscopic vs. Open Inguinal Hernia Repair*. Resident Grand Round Presentation. Saint Barnabas Medical Center, Livingston New Jersey
7. **Patil S**. (2013, January). *Thyroid Surgery: Best Practices (Node Dissection? Nerve Monitoring? Total?)*. Resident Grand Round Presentation. Saint Barnabas Medical Center, Livingston New Jersey
8. **Patil S** (2014, June) *Multimodality Management of Extremity Soft Tissue Sarcomas*. Resident Grand Round Presentation. Saint Barnabas Medical Center, Livingston New Jersey
9. Patil S (2015, January) *Meta-Analysis: What is it, why it is important, and what are its limitations*. Resident Grand Round Presentation. Saint Barnabas Medical Center, Livingston New Jersey

National Meetings

1. **Patil S**. (2004, September). *Recent advances in the diagnosis and management of malignant adrenal gland tumors*. Surgical Oncology Conference: Sabratha, Libyan Arab Jamahiriyah.
2. Kaza RCM, Kaur B, Bansal S, **Patil S**. (2009, October). *Experience of inline vasectomy*. Oral Presentation presented at: Third Asia-Pacific Forum on Andrology; Nanjing, China.
3. Kaza RCM, Kaur B, Sing J, **Patil S**. (2009, October). *No needle no scalpel vasectomy (NNNSV): an Indian experience*. Third Asia-Pacific Forum on Andrology; Nanjing, China.
4. **Patil S**, Balsted S, Chamberlain R. (2010, November). *Insight into outcomes of acute hospitalization of patients >100 years old (Centenarians)*. Gerontological Society of America (GSA), 63rd Annual Scientific Meeting; New Orleans, LA.
5. **Patil S**, Chamberlain R. (2011, February). *Malignancies Associated With Germline And Somatic NF1 Gene Mutations*. 6th Annual Academic Surgical Congress; Huntington Beach, CA.
6. **Patil S**, Chamberlain R. (2011, February). *Outcomes Following Surgical Procedure In Nonagenarians And Centenarians: A Safety And Feasibility Analysis*. 6th Annual Academic Surgical Congress; Huntington Beach, CA.
7. **Patil S**, Minja E, Chamberlain R. (2011, February). *Does Residents Involvement In Mastectomy Cases Increase The Operative Cost?* 6th Annual Academic Surgical Congress; Huntington Beach, CA.
8. **Patil S**, S. Kralovic, H. Mansour, M. Marano, S. Petrone, R. Chamberlain. (2011, March). *A retrospective 10-year study analyzing outcome of burn injury in diabetic patients as compared to non-diabetic patients*. 43rd, Annual meeting, American Burn Association; Chicago, IL.
9. Lee RA, **Patil S**, Chamberlain R (2011, October). *Advanced Age is an Independent Risk Factor for Increased Morbidity and Mortality following Open and Laparoscopic Cholecystectomy: A Comparative Analysis of 155,365 Cholecystectomies from National Inpatient Sample (NIS) Database (2004-2008)*: 97th Annual Clinical Congress; San Francisco, CA
10. **Patil S**, Chamberlain R (2012, February). *The Financial Burden Of Training Surgical Residents: Who Should Bear The Cost?* 7th Annual Academic Surgical Congress; Las Vegas, NV
11. Brown M, **Patil S**, Chamberlain R (2012, February). *Age-related Outcomes Of Non-splenic And Non-renal Visceral Artery Aneurysms: An Analysis Of 620 Patients From The National Inpatient Survey Database (2004 - 2008)*. 7th Annual Academic Surgical Congress; Las Vegas, NV

12. Ghalyaie N, **Patil S**, Chamberlain R (2012, February). *Does Age And Stage Influence The Selection Of Sphincter Preservation Surgery (SPS) In Patients With Rectal Cancer? A 20 Year Review Of 61,890 Patients From The SEER Database (1988-2007)*. 7th Annual Academic Surgical Congress; Las Vegas, NV
13. Patel S, **Patil S**, Chamberlain R (2012, February). *Age-based Differences In The Prevalence And Clinical Outcome Of Carotid Endarterectomy As A Primary Procedure: A 5-year Analysis Of 118,947 Patients From The Nationwide Inpatient Sample Database (2004-2008)*. 7th Annual Academic Surgical Congress; Las Vegas, NV

Manuscripts undress progress

1. Appendectomy or No-appendectomy, should cost of care be a factor in establishing therapeutic guidelines: A population based study assessing the outcomes and cost of care in 2,970,581 with acute uncomplicated appendicitis (NIS 1998-2014)
2. Clinical, demographic characters and outcomes of acute pancreatitis in Nonagenarians and Centenarians
3. Colon Cancer in Millennial: A United States Population-Based Analysis (SEER 1992-2018)
4. Malignancy of Meckel's Diverticulum: A United States Population-Based Analysis (SEER 2000-2018)
5. Outcomes Of 11,276 Patients Undergoing Open Versus Laparoscopic Cholecystoenterostomy For Biliary Enteric Bypass: A Retrospective Population Based Study (NIS 1998 - 2014)
6. Should Common Bile Duct Exploration For Choledocholithiasis Be a Trick of General Surgeons' Trade or Perk of Specialist Training? A Population Based Study Analyzing Outcomes in 194,395 Patients with Choledocholithiasis (NIS 1998-2014)
7. Cholecystectomy in Acute Cholecystitis: How Late Is Too Late? A Population-Based Analysis of Cholecystectomy Outcomes in 271,294 Patients with Acute Cholecystitis
8. Demographic and Clinical Characteristics of 3,752 Patients Undergoing Surgical Intervention for Liver hemangioma
9. Post-operative Complications in Patients Receiving Pancreatic Debridement: A Comparative Analysis of 643,441 Patients With Acute Pancreatitis from National Inpatient Sample Database (1998-2010)
10. Acute Cholecystitis in Nonagenarians and Centenarians: A Population Based Study Analyzing Demographic, Clinical Characteristics and Treatment Outcomes in 16,357 Patients with Acute Cholecystitis (NIS 1998-2014)
11. Is Partial Cholecystectomy a Better Alternative To Percutaneous Cholecystostomy Tube Placement? A Population Based Outcomes Analysis Of Partial Cholecystectomy and Percutaneous Cholecystostomy Tube Placement in 20,141 Patients With Acute Cholecystitis
12. HPB Malignancies in Patients with CTD: A United States Population Based Study from NIS Database (1998-2010)
13. Outcomes and Cost of 8,985 Patients Undergoing Total Pancreatectomy: A Retrospective Population Based Study (NIS 1998-2014)
14. Perioperative outcomes of liver resection for HCC in 1,936 pediatric patients: retrospective population based study
